Re: Softball Start-up Information

The 2019 softball season is approaching quickly. Last year was a great success with over 40 teams participating in our leagues. With the increased interest and participation in our softball leagues it is vital that you hand in your registration form as quickly as possible to ensure your spot in your desired league.

Our department has reserved several weeks for the registration of returning teams, beginning February 11th. Only teams who have participated in our league in 2018 will be allowed to register their team at this time. To be considered a returning team your roster must have at least 8 players from your 2018 softball roster.

Beginning March 4th, softball registration is open to all teams, with league spots being filled in a first-come-first-serve manner.

Roster Forms:

Please note that *no rosters will be accepted unless a minimum of 14 players are listed*. This assures us that your team has enough players at anytime during the season to prevent a forfeit. In addition please also note that the main form of contact between our department and your team contact will be via email, so please be sure to supply your team contact's email in the appropriate space. *The roster submission procedure is now done complete online.* [CLICK HERE for the 2019 team registration form.](#)

Due Dates:

Final date for roster submissions is **Friday, March 29, 2019** (player's addresses must be listed)

Entry fees are due by **Friday, March 29, 2019** (teams not paid by this date will forfeit their spot in the league)

Available Leagues:

Monday Night	Women's "A" (Maximum 11 Openings) Men's "B" (Maximum 11 Openings)
Tuesday Night	Women's "B" (Maximum 12 Openings) Men's "A" (Maximum 10 Openings)
Thursday Night	Women's "B" (Maximum 10 Openings) Men's "A" (Maximum 12 Openings)
Friday Night	Men's "B" (Maximum 12 Openings)

League Meeting:

An organizational meeting will be held at 500 Wheatfield St. prior to the start of the season - date & time is TBA (each team will be given ample notification of the date and time of the meeting). **Each team is required to have a representative present** for this meeting as changes for the upcoming season will be discussed along with any and all questions being answered at that time regarding the upcoming season. *Teams not represented at this meeting may lose their rights to their preferred playing night.*

Liability Forms:

Team members are required to sign a team liability form prior to participating. Liability forms must be signed and turned into the Recreation Department prior to receiving schedules and game balls. Schedules and game balls will be available for pick up beginning with the pre-season informational meeting at the Recreation Department located at 500 Wheatfield St.
