Adult Softball Sponsor Letter

The North Tonawanda Department of Youth, Recreation, Parks & Seniors will be kicking off another season of Adult Softball with leagues playing on four nights of the week. This year each team will be responsible for paying umpire fees prior to the beginning of each scheduled game, at a cost of \$17/team per game. Due to this change, we have restructured the cost of the league, lowering the registration to \$300 for resident teams (teams with 4 or less non-resident members) and \$450 for non-resident teams (teams with 5 or more non-resident members). Despite the change in fee structure, you will find that our league is still lower in cost when compared to other leagues offered by surrounding municipalities.

We encourage you to reach out to your team sponsor and suggest that in addition to paying the lowered registration fee that they additionally provide your team with compensation to cover the weekly umpire fee. Feel free to use this letter as documented proof of the league fee structure should your sponsor require documentation.

Should you or your team sponsor have questions, do not hesitate to reach out. We look forward to another exciting softball season!

Sincerely,

Alex Domaradzki
